Band IT

Geoboards are a fun way to sneak in fine motor work with your students. Band It thematic task cards give your students an object to build with their bands. I recommend using rainbow loom bands. There are so many color choices and the perfect size for small geoboards. This pack includes two sets of task cards; easy and hard. Each set also includes a blackline version, if you choose to copy onto colored paper. Last, there is one design your own object card included.
